KINGSTON, ONT. Nov. 8, 1915.

President Falconer,
Toronto University,
Toronto.

Dear Sir:

I beg to enclose copy of correspondence with reference to the examination marks of Amedee Bebetreau. You will note that under a regulation made by the Department of Education and so far as I am aware, never confirmed by the Matriculation Board, the Secretary of the Matriculation Board refuses to give the University information regarding marks made at a Departmental examination by a student wishing to complete Matriculation.

I am sending copies of this correspondence to the different members of the Matriculation Board, as I think it well that our relations as a Board to the Department should be more definitely defined.

Yours sincerely,

Encl.

Extract From Letter Sept. 29th, 1915.

I hold a Junior Teacher's Certificate and have also Matriculation in French. This summer wishing to obtain my full Junior Matriculation certificate I wrote on the Normal Entrance papers in Latin having been told by the authorities of the Windsor Collegiate Institute that it did not matter on which ~~paper~~ papers I wrote. However about a week ago I was informed by Mr. Anglin that as I had written on the Normal papers in Latin my marks could not be considered for Matriculation. I have written twice to Mr. Anglin in order to obtain my marks but as yet I have received no reply. Probably you could obtain my marks indirectly from him and judge whether my standing in Latin is sufficiently high for me to be admitted as a first year student.

Sincerely,

(signed) Amedee Beneteau

Dear Sir:-

Will you kindly let me know the standing made by
Mr. Amed e Beneteau who wrote in June, 1915, on the Latin
papers of Normal Entrance. The centre, I believe, was Windsor,
Ont.

Yours very truly,

Dear Sir:-

In reply to your letter re the marks obtained by Amedee Beneteau, I beg to state that this candidate was not a candidate for the Departmental Middle School Normal Entrance examination, and therefore, was not eligible to write on the Departmental Latin papers. Candidates and teachers are advised in the Instructions sent to them that the only candidates who are permitted to write on Departmental Middle School papers for Matriculation purposes are those who are taking the complete Middle School examination.

In view of the above, I am unable to send you the marks asked for.

Yours truly,

Dear Sir:-

Your letter of the 12th ~~11~~ inst., is received and I note that you do not give the marks of Mr. Amedee Beneteau who wrote on Latin of Middle School by mistake. I shall be glad if you will kindly let me have these marks as I consider that the University may take them into consideration in deciding the question of allowing the candidate to enter on a course for degree.

Yours very truly,

Dear Sir:-

In reply to your letter re Mmedee Beneteau, I beg to state that in view of the facts contained in my letter to you of the 12th ult., I cannot grant your request. The question of permitting candidates, even on the advice of their teachers, to write on papers contrary to instructions and to receive credit therefore, is one that I intend to bring before the Matriculation Board at its next meeting. This meeting, I hope, will be held in the course of two or three weeks.

Yours truly,
